General Auction Rules & Tips

Whether you're an auction pro, or an auction newbie, there are basic rules that you should know before attending any auction. No two auctions are ever the same, therefore we put together this handy dandy worksheet to help keep you auction seekers "in-the-know." Keep in mind these are the **basic** guidelines. Any **specific** facility rules are always announced by the auctioneer before the sale.

Call Ahead! Don't waste your valuable time and gas by driving to a cancelled auction. Always call the facility the day before or day of to confirm their auction.

Auction Rules:

- 1.) What you see from the door is what you are bidding on. You may not enter the unit at any time. All units are sold **AS IS** which means if it's a broken TV, you are now the proud owner of that broken TV. There are no warranties or guarantees and **CASH** only!
- 2.) It is YOUR responsibility to be seen or heard when bidding.
- 3.) You must provide your own padlock to secure your new treasures. If you plan on bidding, and did not bring one, then stop by the office and purchase a lock before the auction starts.
- 4.) Auctioneer reserves the right to: (a) Revoke the bidding privileges of any bidder (See # below) (b) Refuse a bid (c) Cancel the sale at any time prior to having said "**SOLD!**"
- 5.) Auctioneer has the legal right to remove the following items (if identified from front of door): any alcohol, fire arms, human remains (cremation) and / or tobacco. These items are required to be turned over to the proper authorities.

Sale Maker Auctions proudly supports several educational, nonprofit, and charitable organizations all over California. Through our fundraising partnerships and community relations, we've been fortunate to come together and offer additional support and awareness to these important causes. If you have or know of an organization that is planning a fundraiser, and is looking for possible help, please let us know.
