Over the years now, we've assisted communities and organizations throughout Northern California, helping to raise money and awareness by sharing our gift for gab. There's no limit to fundraising when it serves a purpose!

Recently we partnered with The NFL Alumni of Northern California and the Santa Clara Police Officer's Association along side the Special Olympics, generating thousands of dollars for great kids and some pretty amazing families.

If you would like more information on how you can help support these organizations or would like to find out about other upcoming fundraisers, let us know!

## General Auction Rules & Tips

Whether you're an auction pro, or an auction newbie, there are basic rules that you should know before attending any auction. No two auctions are ever the same, therefore we put together this handy dandy worksheet to help keep you auction seekers "in-the-know." Keep in mind these are the **basic** guidelines. Any **specific** facility rules are always announced by the auctioneer before the sale.

**Call Ahead!** Don't waste your valuable time and gas by driving to a cancelled auction. Always call the facility the day before or day of to confirm their auction.

**Cash Only!** All of our auctions are **CASH** only. We do not accept Credit / Debit Cards, Checks, Money Orders, Ex-Spouses or farm animals. Do not bid on a unit if you do not have the **CASH** to pay for it. The sale will be immediately canceled and everyone will begin to give you evil looks. It's not pretty.

**Cash Only – Part 2 - DEPOSITS:** 99.9% of our auctioned units will require a **CASH** deposit. This amount ranges an average of \$40 - \$100 **Per Unit**. Each facility is different and will have different deposit requirements. The Auctioneer will announce the deposit amount(s) before the sale. Deposits are **REFUNDABLE** (yaaaay!) But on 1 condition – You must clean out the entire unit. (See "Facility Rules further down)

**Cash Only – Part 3 – UNCLE SAM:** Unless you are a business and have a resale license, you'll also have to pay sales tax. Sale tax is based upon the hammer price (aka your bid) and is immediately due, along with the deposit. If you are a first time bidder and have a resale license, bring it with you. Otherwise, you will be charged the tax. Again, payment must be in the form of **CASH**.

### Auction Rules:

1.) What you see from the door is what you are bidding on. You may not enter the unit at any time. All units are sold **AS IS** which means if it's a broken TV, you are now the proud owner of that broken TV. There are no warranties or guarantees.

2.) It is YOUR responsibility to be seen or heard when bidding.

3.) You must provide your own padlock to secure your new treasures. If you plan on bidding, and did not bring one, then stop by the office and purchase a lock before the auction starts.

4.) Auctioneer reserves the right to: (a) Revoke the bidding privileges of any bidder (See # below)  
(b) Refuse a bid (c) Cancel the sale at any time prior to having said "**SOLD!**"

5.) Auctioneer has the legal right to remove the following items (if identified from front of door): any alcohol, fire arms, human remains (cremation) and / or tobacco. These items are required to be turned over to the proper authorities.
